Message from Grand Knight, Greg Schaubhut

Our next meeting will be held on September 9th.

Work night for the grotto will be on Monday evening the 19th at 6:00 PM. If you have a wire brush please bring along to help clean up the surfaces of the statues.

Please consider adding your name to help with council officers and or service program personnel. The rewards are great, and the effort is relatively small. I really need someone else to step up and help with the youth (basketball).

I wish to express my sincere appreciation to Stan and Mary Wagner for entering, driving and handing out the pencils for the Platte River Parade.

Venerable Michael McGivney's Birthday was on August 12th.

"Let us ask Our Lady to protect and sustain us; that we may have a strong, joyful and merciful faith; that she may help us to be saints, to meet her one day in Paradise."

Pope Francis

Message from our Chaplain, Father Lurn Virnig

It is August and summer is almost gone. We now have County fairs, grain harvest and those of gardens which are God's blessings of the land. We hear more of the bad news such as shootings in Texas and Ohio, hail the size of baseballs and storms of many kinds. Let us not lose hope. This month we celebrate the Feast of the Assumption of the Blessed Virgin Mary, who was taken body and soul to heaven. It is a reminder that we all are on our journey and our goal is heaven. We often get so distracted by the things in the world around us that we lose sight of our final goal.

Now people are caught up in shopping for school supplies, harvesting gardens and crops, canning vegetables and fruits, and for others the preparing things to show at fairs. Everyone seems to prepare the material things for the near future. It is also important to prepare the spiritual things in our lives. The good things we do for other people, prayer and worship. We have to take to pray in thanksgiving for the blessings we have received, to praise and honor God and to ask God's forgiveness for our sins. God wants all to share his glory in heaven body and soul.

Summer has been a time for vacations, relaxation and to do new things as we look to the future, in different grades or schools, or different activities, let us always keep our ultimate goal in mind by doing the best we can.

Brother Knights let us thank God for all his blessings to us and to all who are in our country. If we don't share them, we don't deserve them. May we keep in mind God's goal for each of us.

May God bless everyone. Father Virnig
