Message from Grand Knight, Greg Schaubhut

Brother Knights, I am having a very difficult time getting together with everyone with all of the recent events and my current situation finding me many miles away during the week. I had an unexpected event come up and at the last minute had to be there. I find with everything handed to me I will be handing the Grand Knight position over to whomever you gentlemen decide. Please contact me with your decision and I will try to assist them in the best I can. I want to thank everyone of you for your help and support. May God Bless each and every one of you.

Message from Chaplin Fr. Virnig - *It is August and still there is no rain. The result is that crops and gardens are suffering. This means less food for people and animals. Along with covid-19, it will bring more suffering for people all over the world. No one likes to suffer. But Jesus did it willingly for us: all human persons throughout the world. Why would anyone willingly suffer for someone else, especially for someone they didn't know or people that rejected God's Commandments. The Answer is Love.*

The Gospels for Sundays during the last several weeks are about Jesus as the bread of life. The bread that came down from heaven. Jesus chose to be our food. Jesus lived his human life here on earth: eating, sleeping, drinking, working, walking, teaching and praying. Jesus came to make up for our sins and restore us to harmony with God. That harmony with God was broken by the disobedience of Adam and Eve. God has given people chances to reconcile but people kept on sinning. God had chosen Abraham and his descendants to be his chosen people. They were given chances to reconcile but people kept turning to false gods.

Jesus came to be our example and gave us special gifts to restore us as God's children. Jesus gave his life to us in Baptism. He knew our weaknesses so Jesus gave us the Sacrament of Reconciliation or Penance. To nourish us spiritually, Jesus gave himself in Holy Communion in the form of bread and wine, changed at Mass to be his Body and Blood. This is to make us grow in Christ, sharing the life of Christ. We can only lose that gift by sin.

Brother Knights, help your families to continue to live as children of God through the use of the sacraments and Holy Mass. May you all be blessed as children of God as Jesus comes to you in the gift of his Body and Blood.
